*Let your light shine!*

# **Sex Education Policy**

**Frieth School Vision statement:**

*'...Your light must shine before people, so that they see the good things you do.'*

***Matthew 5:16***

## **Values:**

These are the Christian Values that you believe are both taught and learnt in our school.

Kindness

Honesty

Creativity

Responsibility

Resilience

Respect

## **Rationale and Ethos**

### **1. School ethos / values statement**

At Frieth CEC School our aim is to shine a light on individual success and open the doors to our future global citizens by developing potential without limitations within a welcoming Christian and spiritual community. We embrace the uniqueness of everybody and are inclusive of all. Our values of respect, responsibility, resilience, honesty, kindness and creativity guide all that we do and we seek to develop these characteristics in all our pupils, preparing them to be reflective and responsible members of society.

At Frieth school we are committed to providing a holistic approach to education which aims to support the academic, cultural, personal and social development of all our pupils. From September 2020 statutory Relationships Education and Health Education will have been part of the taught curriculum within PSHE. This is an essential part of a child's education and contributes to their personal development. Sex Education is not statutory at primary, but recommended by the DfE. We teach Sex Education as part of our Relationships Education within the planned PSHE curriculum.

## **2. Aims of the Sex Education policy**

All primary schools offering Sex Education are required to define any sex education they choose to teach other than that covered in the science curriculum, outline the subject content, how it will be taught and who is responsible for teaching it, and state the parental / carers right to withdraw from non-statutory sex education lessons and the protocols established by the school to facilitate this. Schools are also required to consult with parents with regards to the policy and to work with parents, offering support in talking to their children about sex education and how to link this to what is being taught in school. It is the statutory responsibility of the governing body to ensure the school has a compliant and up to date Sex Education Policy.

**The aim of this policy is to:**

- Provide information to staff, parents and carers, governors, pupils and other agencies regarding the organisation, content and approach to teaching of Sex Education
- Help parents and carers to understand what is covered in Sex Education and support them to work with their child to secure the very best outcomes for all pupils
- Demonstrate how the school meets legal requirements with regards to teaching Sex Education

### **Legal Requirements**

To comply with The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019, made under sections 34 and

35 of the Children and Social Work Act 2017, make Relationships Education compulsory for all pupils receiving primary education. They also make Health Education compulsory in all schools except independent schools.

To comply with the Relationships Education, Relationships and Sex Education (RSE) and Health Education statutory guidance from the DfE (June 2019)

To comply with the requirements to have an up to date Sex Education policy /RSE policy developed in consultation with pupils, parents and carers (Education Act 1996) and in line with the DfE statutory guidance on Relationships Education, RSE and Health Education( June 2019)

To have due regard to the Equality Act (2010) which requires schools to prevent discrimination, advance equality of opportunity and foster good relation between different groups . The protected characteristics that apply to school age children are disability, race, religion or belief, sex, sexual orientation, gender reassignment, pregnancy and maternity.

To fulfil statutory safeguarding duties and ensure any safeguarding issues arising from Relationships/ Sex Education teaching are identified and followed in accordance with the school safeguarding policy

### **3. Parents' / carers right to withdraw**

At Frieth school we teach Sex Education as part of our Relationships and PSHE curriculum. As Sex Education is not statutory at primary we wish to state the right of parents and carers to withdraw their child from designated Sex Education lessons. We encourage parents/ carers to make an appointment to come in and speak to the Class teacher about any concerns they may have. Requests for withdrawal should be put in writing using the form in Appendix 3.

Parents and carers do not have the right to withdraw their child from PSHE which includes statutory Relationships Education and Health Education (including the changing adolescent body/puberty). The science curriculum also includes content on human development, including reproduction, which there is no right to withdraw from. We highly recommend all students receive the full PSHE curriculum.

#### **4. Development of the policy**

This policy was developed by the PSHE lead in consultation with school governors, parents and pupils.

Who wrote the policy – PSHE lead with staff or working group pulled together all relevant information including relevant national and local guidance / guidance from the BCC Public Health PSHE lead

Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations

Parent/stakeholder consultation – parents were consulted through the class parent reps and on line.

Pupil consultation – school council, review/ questionnaires regarding sex education and questions raised to shape further lessons

Ratification – this policy was shared and ratified with governors

This policy links to the PSHE policy, Relationships Education Policy, Child Protection Policy, Anti-Bullying Policy, Equalities policy and the School Behaviour policy

We aim to work collaboratively with parents/ carers to ensure pupils receive Sex Education lessons that are relevant and age appropriate and sensitive to the needs of the community we serve. We welcome parents and carers to make an appointment to come in to discuss any aspect of this policy and the provision in school.

#### **5. Definition of Sex Education**

Sex Education at Frieth school is taught through the PSHE curriculum as part of Relationships Education. Sex education is taught in addition to the statutory science curriculum and provides factual and age appropriate knowledge about conception and birth. In preparation for the secondary RSE curriculum, sex education teaches pupils to recognise the difference between intimate and non-intimate relationships, promotes healthy committed relationships including

marriage, consent and the values and responsibilities required to build healthy adult relationships. It also teaches pupils the legal age for marriage and consensual sexual relationships, to recognise their right to their own physical and emotional personal space, how to keep themselves safe, and how to report concerns or issues. Puberty Education is part of statutory Health Education and parents/carers do not have the right to withdraw their child from this aspect of the curriculum.

## **6. The Curriculum**

### **Intent**

Why teach Sex Education?

The DfE states in the statutory Relationships, Relationships and Sex Education and Health Education guidance (page 23)

‘It is important that the transition phase before moving to secondary school supports pupils’ ongoing emotional and physical development effectively. The department continues to recommend therefore that all primary schools school have a sex education programme tailored to the age and the physical and emotional maturity of the pupils. It should ensure that both boys and girls are prepared for the changes that adolescence brings and – drawing on knowledge from the national curriculum for science – how a baby is conceived and born’.

High quality Sex Education will support pupils to:

- Be taught factual and correct information about this how a baby is conceived and born
- Explore in a safe and managed environment questions they may have about puberty and give them an age appropriate understanding of sexual development
- Understand that all intimate relationships should be consensual and based on love and respect
- Understand the law and be taught that intimate relationships are for consenting adults

- Understand the importance of marriage and committed relationships and learn about different cultural and religious approaches to this
- Recognising and establish their own personal boundaries, and privacy relating to their own bodies and are taught the scientific vocabulary for all body parts (using the Christopher Winter Sex Education resource in Frieth School).
- Dispel myths and incorrect information about sex and how a baby is conceived and born
- Recognise unhealthy relationships, inappropriate behaviour and to report concerns or abuse,( including signposting to trusted online support services such as Childline)
- Ask a trusted adult rather than go on line with regards to any concerns or questions they may have and avoid viewing any inappropriate material or entering into social media conversations

## **Implementation**

Sex Education is delivered through the Relationships curriculum as part of PSHE education. To ensure the content and delivery of sex education is appropriate and relevant to our pupils we use simple baselines to ascertain what pupils already know, and find out what they would like to learn.

Distancing techniques are used in PSHE education, which provide depersonalised examples which support children to explore what is being taught without sharing their own personal experiences in the lesson.

**What we use** – Christopher Winter Project, PSHE Association programme of study.

**Who** Class teachers teach this. There will always be 2 adults in the classroom.

**When** – part of the PSHE curriculum in year 6 – The children have 4 lessons. The third lesson looks at what is sex.

### **How delivery and content will be made accessible to all pupils including SEND**

We are an inclusive school. As with all subject areas, delivery of Sex Education is made to all pupils through Quality First Teaching, which considers the learning needs of all the children in the classroom. This includes providing differentiated

work and creating an inclusive learning environment that is sensitive to the individual learning, emotional, social or economic needs of pupils. Pupils who receive 1:1 support will have access to support during Sex Education lessons where appropriate to their needs. Lesson plans will take account of the differing needs of pupils with SEND however, the school recognises that not all pupils with identified special educational needs require the same level of support in Sex Education as they may do in other core subjects.

**Where you can view curriculum information – please see appendix 1**

### **Managing Difficult Questions**

All aspects of PSHE are underpinned by shared and understood ground rules Ground rules Appendix 2 with lessons being delivered in a safe and well managed environment. Pupils are encouraged to ask questions and raise issues in a respectful and appropriate manner. Some questions or issues raised may not be appropriately answered in whole class lessons and these will be followed up separately on an individual or group basis. A question box is available for pupils who do not feel confident to ask questions or wish to have a separate conversation with a member of staff. Given the ease of access to the internet, children whose questions go unanswered may turn to inappropriate sources of information. We also respect that some questions are better addressed at home with parents/ carers and the school will share information with parents/carers on an individual basis should the need arise.

Whilst it is vital to have trust and openness we cannot offer total confidentiality to pupils. Any disclosures or areas of concern will be followed up in accordance with our safeguarding procedures.

### **Impact**

**High quality sex education will enable our pupils to:**

- Have a factual and age appropriate understanding of how babies are made and born

- Understand that intimate and sexual relationships are a natural part of adult life
- Know who to talk to if they have further questions about sex and intimate relationships
- Be aware of and respect different types of relationships in accordance with the Equalities Act
- Know they will continue to learn about sex education in their secondary school
- Keep themselves safe on line, recognising risks, harmful content, and online contact and be able to report any concerns at the earliest stage
- Know how to keep safe by recognising any inappropriate behaviour from others
- Report concerns or abuse and have the confidence, knowledge and vocabulary to do so

## **7. Confidentiality and safeguarding**

Any personal disclosures made by pupils will be followed up in accordance with the school's child protection policy. Teachers will report any safeguarding concerns to the DLS and share concerns with parents/carers according to the school's safeguarding procedures.

## **8. Roles and responsibilities**

The Governing Body will approve the policy and hold the Headteacher to account for its implementation.

The Headteacher is responsible for ensuring PSHE including Sex Education is taught consistently across the school and for managing requests with regards to the parental right to withdraw from non-statutory Sex Education.

The PSHE lead is responsible for leading and managing the subject. Teachers are responsible for delivering PSHE.

Pupils are expected to fully engage with PSHE provision including sex education and treat others with respect.

### **9. Working with parents and carers**

We keep parents/ carers informed about when sex education will take place. We offer information by letter and hold a parent meeting prior to teaching to go through the content. Parents /carers are welcome to make an appointment to view materials used to teach sex education.

### **10. Working with outside agencies and visiting speakers**

The school has a GDPR policy, DBS protocols, the privacy statements, confidentiality policies and CP policies which all staff follow.

### **11. Monitoring, evaluation and training**

Sex education will be monitored and evaluated by the PSHE lead, SLT and Governors in line with the monitoring cycle agreed by the school .The Sex Education policy will be reviewed annually.

To ensure staff are confident to deliver all aspects of the PSHE curriculum including sex education, access to online, in school, local and national training will be made available in accordance with the school's CPD programme for staff development.

### **12. Other policies linked to the Sex Education policy**

### **13 . Sign off and date and Review date**

### **Appendix 1 Sex Education Curriculum**

See Christopher Winter Resources for Relationship Education in Yr R– 6 and Sex Ed in Yr 6.

## **Appendix 2 Ground rules an example**

Work with pupils to establish a list of ground rules that will increase their feelings of safety and comfort during puberty and sex education classes.

It is essential that the following ground rules be included:

- No personal questions or sharing of private information.
- You have the right to pass on a question.
- No question is silly or stupid.
- Use dictionary words whenever possible.
- Post the list in the classroom and refer to it as needed.

There is a balance between encouraging pupils to talk about real life and over disclosure of private information. Encourage pupils to use the phrase "Someone I know..." instead of the person's name if sharing information of a personal nature.

It may be helpful to frame the ground rules in a creative way, such as:

G...Giggling is okay but laughing at others is not

R...Respect for myself and others is important

O...Option to pass on answering questions is available to all

U...Use dictionary words when describing the body

N...No question is a silly question!

D...Do use "Someone I know..." instead of the person's name

## **Appendix 3 – DFE guide for parents**

### **Letter template for right to withdraw**

Parents and Carers,

As a part of your child's education at Frieth School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum

subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, over the next (insert number) weeks, starting (insert date), your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme.

Lessons in year (insert year) will include pupils learning about (select as appropriate or add examples below): Healthy relationships, including friendships; families; growing and changing, including puberty; personal hygiene; changing feelings; becoming more independent; keeping safe; developing self-esteem and confidence. Pupils will also have opportunities to ask questions.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website: (insert link to curriculum information here) for more detail about our PSHE curriculum. All PSHE teaching takes place will take place in a safe learning environment and is underpinned by our school ethos and values.

We would like to invite you to attend a parent information meeting on (insert time/date) to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home.

As a school community, we are committed to working in partnership with parents; recent parental feedback has indicated that the overwhelming majority of parents continue to be highly supportive of the relationships and sex education programme. If you would like to find out more or discuss any concerns, we would urge you to attend the information meeting and look forward to seeing you there.

Yours sincerely,

(Subject lead for PSHE education & contact email address)
