1st December 2023

Dear Sir/Madam,

I am writing to share with you the plans for the future of Frieth CEC School.

Having listened to the wants and needs of our parental community over recent years, Frieth CEC School has made many changes to improve our provision, including wrap-around care, Forest School, extra-curricular enrichment opportunities and sports provision. As a result, our school is thriving and has grown significantly in popularity.

To meet this growth in demand, it has been necessary to go above our PAN (Published Admissions Number) of 20 over the last three years and we will be offering additional places to our September 2024 intake to meet demand.

I have had a number of strategy meetings with the Governing Body to discuss how we move forward, and a decision has been made whereby we would like to continue to grow.

As it has been 7 years since our last consultation, we are now consulting on our 2025 – 26 Admissions Policy and have decided that we would like to increase our PAN from 20 to 28 in order to meet the demand of prospective parents. We will not be changing any other aspect of the admissions code.

If you wish to provide feedback on our proposal please email the school on office@friethschool.co.uk
