

## Frieth Primary School

### NEWSLETTER

*Let Your Light Shine!*

*Friday 8<sup>th</sup> November 2024*

Welcome back to the start of a new half term. I hope you all enjoyed a resful break.

It's been great to hear so much positive feedback about our Science Week. We were lucky to welcome in Science Boffin John, who led some fantastic workshops with the children; the pupils also leant all about space in the mobile Planetarium and there was lots of practical science experiments going on in the classroom.

The highlight of the week for me was the parachute challenge and a big well done to all the children who let their light shine by coming up with some great designs! Also, a huge thank you to our super parents who came in and delivered some fantastic workshops! Check out our Facebook page for lots of super pictures.

Thank you to all those parents who made the voluntary contribution. These events could not take place without your help.

### Netball

It's been a great start to the netball season. See below a write up of the first two games by Year 5 pupil Tabby Boyden:

'So far this year our netball team have played two netball matches. In our first match against Lowbrook we won by a whopping 15 points to 5! The following week a different

Frieth team played against Lowbook at their school. It was really tough match and ended in a 10-9 win to Frieth. I would like to say a special well done to our team captains, Summer Parrett and Phoebe Bowett as well as the players of the match'.

### Girls Football

Well done to our girls' football team for their 4-0 win against Oakridge. All the team played fantastically well, but a special well done should be given to Summer Parrett for her hat-trick and Alora Gibbins who knocked in the other goal. Onto the next!

Not be outdone, the boys also put a fair few passed Oakridge in a decisive win. A great team performance and very encouraging considering we have such a young team. The future is looking bright!

### Nature Walk to School

We will be having another nature walk to school with Local resident Amanda Hopkins on Tuesday 19<sup>th</sup> November. We hope to see as many of you there as possible. It is a great opportunity to meet and socialise with other parents on top of the exercise benefits. Like last time, meet outside Morrisons bright and early at 7:50am.

### Anglo Saxon Topic Day

Hawks had a great day, bringing their Anglo-Saxon topic to an end! They wrote using quills, designed coins, made and played draughts and fletched arrows! And those who chose to dress-up looked amazing in their costumes!

### Great Fire of London Topic Day

Kestrels had an amazing end to their Great Fire of London topic – a day full of baking, basket weaving, modelling and artwork! Thank you to all of our helpers and parent volunteers.

### Scopay

Please can we remind parents to complete the consent forms for all sports fixtures, school trip and events within the timeframe given. Mrs Upsher is spending a lot of time chasing parents to complete the forms and having to extend deadlines.

### Tesco Blue Tokens:

Please remember to pick up your blue tokens if you shop at Tesco Henley, Woodley Express or Twyford Express stores. Voting is in store until mid-January 2025.

### Welcome Mrs Stiles

I would like to welcome Mrs Stiles to the school who will be helping to facilitate Frieth Falcons. Mrs Stiles has a vast amount of experience working with children in schools and her flair for creativity will make her an asset to the team.

### PTA News

The PTA have created a link for parents who would like to receive emails and the PTA newsletter. Please click [here](#) if you would like to sign up
