Clubs in marked \*Blue and Green on the timetable must be booked using the Scopay online system

Clubs in YELLOW must be booked directly with the provider using the information in their separate letters.

Clubs are popular and places are first-come-first-served so we encourage parents to log on promptly if their child is keen

**\*\*Running club. The children will be split into groups and go running off site (close by and within easy walking distance from the school). We do a mixture of technique training after the morning run ( sprint training, relays, pacing etc). Please ensure children turn up in PE kit and sensible trainers (no plimsols).**
