Let Your Light Shine!

26<sup>th</sup> May 2023

What a super half term it's been and a great way to finish with our 'Celebrating Multicultural Britain Week'. The children have loved learning about various different countries and have been cooking, creating artwork, and learning dances linked to their countries amongst other enrichment opportunities.

### Sport:

Some amazing sports news to begin! League winners, play-off winners and unbeaten all season - an unbelievable achievement for our netball team! As they say, matches are won on the training ground and this is the result of players and coaches training week in and week out. Congratulations, Frieth is very proud of you!

I'm also so proud of our rugby team for adapting to a completely new set of rules at the 'touch' rugby festival at Maidenhead Rugby Club. It's so important our children are exposed to tough challenges and new experiences so they come out more resilient and stronger. Two very narrow loses and two

draws but most importantly smiles on the children's faces!

Super effort from our dodgeball team who came 2nd in their tournament at Great Marlow. Some great teamwork on show and the children all had lots of fun! Well done for letting your light shine!

### Gardening:

Linking to our science curriculum, Buzzards and Kestrels had a fantastic time at the Lady Ryder Memorial Garden at Parmoor. Year 1 and 2 will be visiting a number of times over the coming weeks where they will be learning about different plants and the conditions needed for growth as well as getting their hands dirty! Huge thanks to all the fantastic

volunteers. How lucky we are to have this opportunity on our doorstep!

A few weeks back, our Head Girl, Hannah Hunt, has brought in sunflower seeds for all the pupils at Frieth. Hannah hopes that everyone will enjoy growing their sunflowers and would love to see some of them entered into the sunflower competition at the Frieth Flower and Produce Show on 10th September. I look forward to seeing the entries!

### Walk to School Week:

Well done to everyone for their commitment to 'Walk to School Week'. I was really impressed with the effort everyone went to, whether you were walking, parking and striding or cycling. I'm hoping families will take inspiration and continue with their effort especially with the beautiful weather we are now enjoying.

### PTA News:

What a fantastic event the Frieth School Family Festival and Camp Night was! Big thanks to the PTA and the many volunteers who helped out. In particular, huge thanks to Alex Bruce for leading the event; I'm sure everyone agrees what a superb job she did! Already looking forward to next year!

The PTA would love to get feedback on the event to help shape future PTA events. Please can you take 5 minutes to complete the survey below:

<https://www.surveymonkey.co.uk/r/35T38LQ>

Thankyou also to Becky Batt for organising the family bingo night. Lots of fun had by all and £150 raised for our school. Top effort!

### Health:

We wanted to make you aware that it is currently tick season. Ticks can be found in a number of areas such as: woodland, moorlands and grassy areas. Tick bites aren't usually painful and sometimes only cause a red lump to develop where you were bitten. However, in some cases they may cause: swelling, itchiness, blistering and bruising. Keep an eye on anywhere you've been bitten by a tick. There's no need to consult your GP if you've been bitten and have no symptoms. However, if you develop a rash or experience flu-like symptoms after being bitten, then you should see your GP. More information can be found [here](#)

Wishing everyone a wonderful half term break. Lots to look forward to next term including forest school days, our Year 6 residential, class trips, Summer Queen and of course Sports Week!

### Save the Date:

Frieth Hilly Sunday 15th October 2023

### Other News:

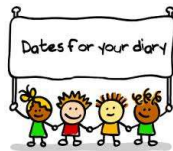

If your child has recently turned 5 and would still like to receive milk at school please register [here](#)
