## **Review of Events:**

### **Fawley Steam Fair**

- Successful, made approx. £1,000
- Due to hot weather some cakes and sweets melted early on, perhaps move tables inside marquee next time
- New gazebos worked well and assembly and transportation a lot easier than previous marquee.
- Noted that the bouncy castle less organized than last year.

## **Future Events:**

### **School Disco 20 June**

- Going ahead with Yr 6 having extra 45 mins on their own, monitored by Yr 6 parents and Jo Reid to be present
- Agreed no iPods or mobiles, only cameras to be used

### **Family BBQ 28 June or 20 September?**

- Confirm? Sarah has band lined up for event
- Suggested may be too many weekends taken up by school events in June/July – Suggested to combine BBQ with camp night on school grounds but was rejected this year as too short notice to inform local residence of evening noise etc.
- Could be combined with welcome new parents lunch on 20 September – to take place at school instead of at Stag & Huntsman

### **Summer Queen 3 July**

- Send out email for volunteers to sell
- Sweets - Left over from Fawley
- Lollies - Bulk buy for Sports Day too. Electricity issue, need long extension lead for freezer
- Pimms - Check how much to buy from last year. Sainsburys own brand, £12 per bottle. Serve earlier.
- Cream teas - To be replaced with strawberries and cream in ice cream tubs
- Teas & Coffees
- Jo handing over to teachers as it is her 1<sup>st</sup> year experience
- Headbands and button holes can be bought or handmade
- Suggested using PTA gazebos to shade the children and using parent's gazebos for refreshments.

### **Hot Lunch 18 July**

- Ziggy organised £2.50 per head prepared at Parmoor

### **Sports Day 21 July**

### **Family Camping Weekend date 26 July**

- At Tallifer Field, Swiss Farm, 10 pitches

- Would there be enough of an uptake as on weekend after the end of term?  
Maybe try for alternative date at another campsite – Radnage or Parmoor?

### **Dad's Bike Ride September?**

Depending on Summer evening event

### **Frieth Hilly 19 October**

The Hilly team has this under control.
