Let Your Light Shine!

Friday 17th December 2021

Can you believe it's already the end of term? And what a fantastic term it has been! I would like to start by saying thank you to our wonderful parent community, not only for making me feel so welcome, but also for the support you have offered the school over the last term. I can honestly say it's been a real privilege being Headteacher at Frieth, and I look forward to us working together in moving the school forward from strength to strength.

Yesterday, we were very fortunate to welcome some of our school governors who made Christingles with the children. They all had a super time and these are being used at the Christmas service of St John the Evangelist this evening.

We also had a delightful Christmas Service superbly led by our Year 6 pupils, with some thought-provoking words also given by Reverend Sue Morton. As always, our

children did us proud with their exemplary behaviour and singing, and we were also fortunate to have our talented

choir perform a rendition of 'Hark the Herald Angels Sing'.

As you will have seen from the new timetable sent out earlier this week, I have reviewed our provision at Frieth Falcons wraparound care. It

incorporates a range of learning opportunities including arts and craft, nature walks, sports and cookery. As you will notice, we now have a slot where your children will be able to complete their homework. Each child will have access to their own iPad so they can log into Microsoft Teams and the range of online platforms we use for setting tasks. Where possible, staff will also listen to children read and practise their spellings. We will have access to your child's logins, however it would also be beneficial for you to continue to practise with your child accessing their homework online so at after school club they can be as independent as possible. The iPads will also be available at breakfast club should the children wish to come in and use them to do

their homework and Mrs. Spencer will also be on hand to help the children.

There is also lots to look forward to next term, starting with our inaugural Maths Week, where the children will be immersed in a range of cross curricular

activities all linked to mathematics. We have also introduced a gymnastics and dance after school clubs so look out for these on our recently issued list of clubs. Please ensure you sign your child up promptly to avoid disappointment due to limited places.

Wishing you and your families a Merry Christmas and very Happy New Year!

All school dates can also be found on the school website. New dates in red

Wed 5 th Jan:	Children return to school
Mon 31 st Jan:	Internet Safety Day
W/c 7 th Feb:	Maths Week
Tues 15 th Feb:	Parents Evening
