

## Frieth Primary School

### NEWSLETTER

*Let Your Light Shine!*

*Friday 13<sup>th</sup> May*

I hope everyone is well and enjoying the longer days and lighter evenings. Let's keep our fingers crossed for some sunshine over the coming weeks!

Next week I'm thrilled to announce is our PTA 'Sport Friday' fundraiser. On Friday, children are invited to wear sports clothing to school and bring in £1.00. On the school field after school, there will be some activities including:

- Football Beat The Keeper
- Netball Shooting
- Spot The Ball

All for only £1 a go!

Frozen Friday will also be selling ice lollies for £1 alongside this event.

To join in the fun, simply come around the side of the school through the Owls outdoor area, once your child has been handed over to you at the end of the school day, and make your way onto the field. I look forward to seeing you there!

Please see the below from Savannah Foister from Longridge. If you are able to help, please email her on [Savannah.Foister@longridge.org.uk](mailto:Savannah.Foister@longridge.org.uk)

'We are really pleased to be hosting a day at Longridge for Ukrainian families with the Marlow Ukraine Collective on the 18<sup>th</sup> of June. However, as our activities are only for those aged 8+, I am on the hunt for activities for under 8s. I am thinking a bouncy castle, or face painting? Even a petting zoo could work, but I am not sure what local companies there are out there with the capacity and desire to get involved. If you know of anyone, can you please send them my way? The idea is to give them all a lovely 'Welcome to

Marlow / the UK', and also facilitate them all meeting each other, so anyone who can help is welcome to get in touch as I just want this to be the most amazing day possible.'

After suffering their first league defeat to a very strong St John's team, the netball team bounced back in style defeating Hamilton Academy 10 – 3 in their best performance of the season. The netball team play their final league match on

Tuesday against Downley at home. Why not come and cheer the team

on and enjoy a coffee and biscuit on the sideline with some of the other parent supporters?

There was an error on our website calendar which indicated that the end of this half term was at 1:30pm. This has now been amended and I can confirm school will finish at normal time on the 27<sup>th</sup> May.

I hope you have noticed our fantastic new flag at the front of the school. This was very kindly donated to the school by Richard Ghost who has purchased two flags especially for the school and even took the time to come in and teach me how to hoist it! I am sure parents agree it's a great addition and perfect timing for the Jubilee.

Buzzards and Kestrels had a wonderful time at their recent school trip to Waddesdon Manor. Buzzards toured the delightful gardens and explored the life cycles of plants

and animals using interactive resources. In the afternoon, they had the opportunity to build bug hotels using natural materials which turned out to be amazing and the bugs definitely agreed! Kestrels had an exciting time learning about different kinds of materials, including rocks and minerals and how they are transformed,

I have recently made a link with Frieth Cricket club and after half term I will be running an afterschool club there on a Friday from 3:30pm – 4:30pm for Years 4 – 6. I will be walking the children straight from school and leading the session but require an additional adult to help me walk the children there and stay with us in case of an

emergency. If any parents or friends of the school are available to help out please can you contact the school office. Details on how to sign your child up to the club are being sent out next week.

With Summer coming, I just want to take this opportunity to remind parents on the importance of applying sun cream to your children before they come into school and ensuring they have a full water bottle. We are blessed to have a

wonderful outdoor environment and we want to ensure we give the children as much opportunity to learn and play outside safely.

Please can I remind all of the Eagles children that are taking part in Bikeability next week to bring their bikes and helmets to school on Monday. You are welcome to leave them here in the playground until the end of the school day on Wednesday. However this will be at your own risk.

Lastly a request for Years 5 and 6 if you have received a River Dart Young Person Consent form home this week, please can I ask that you complete it and return it to the office by **Monday**. Final payment for this trip is also due **today**.

All school dates can also be found on the school website. New dates in **red**
