

Frieth Primary School

NEWSLETTER

Let Your Light Shine!

Friday 19th December 2025

Welcome to our final newsletter of the term and the last one before Christmas. It has been a great term, with so much to celebrate across the school and the children have thoroughly enjoyed the festive build-up. Thank you for your continued support as we head into the Christmas break.

Key Stage 1 Nativity

Well done to Reception and KS1 for their amazing performances for the school and family members in their 2025 Nativity, "Knock, Knock Nativity!" The children worked incredibly hard learning their lines and delivered truly brilliant performances. It is safe to say their rendition of "Sheepy Sheep" was the loudest the school has ever heard!

Christmas Fair

A heartfelt thank you to our amazing PTA for pouring so much time and energy into creating such a fantastic Christmas Fair. Also, an extra special thanks you to Sandra for leading the way and for her dedication to making it so special!

We are so lucky to have such supportive parents, and a wonderful community so thank you to everyone who helped, attended, donated, or simply showed up to share in the Christmas joy!

Running Club

We had great fun at the Running Club Christmas themed session! The children ran a brilliant 3K, all while getting into the festive spirit. A huge thank you to all the mums and dads who lead the club and give up their Friday morning every week and create this lovely opportunity for the children. It was amazing to see everyone enjoying the exercise, working together, and spreading those Christmas smiles!

Walking Bus

Our children thoroughly enjoyed a special Christmas-themed Walking Bus on Monday. There were lots of Christmas hats, festive accessories, and plenty of smiles along the way. It was a wonderful opportunity to walk to school together, enjoy some fresh air, and spread lots of Christmas cheer throughout the

community. Thank you to everyone who joined us and helped make the morning so special!

Kites Class Assembly

Kites took the school back to the Stone Age in an exciting assembly that showcased the children's creativity and confidence. Big thanks to parents for their support in helping children with learning lines and for organising some spectacular costumes. The children proved that the Stone Age rocked!

ECO Council

Busy times for Eco Council continue with a trip for the older ones to the Eco Fair at Henley College. They came back so brimming with ideas to recycle more, make the school more wildlife friendly and save electricity that we had to have an assembly to share how we can all be Eco Heroes this year!

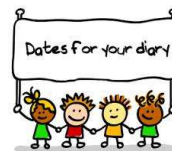

Linking Network

We were very lucky to have Miss Giggins come in to school to talk about The Linking Network. Hawks class are very excited to be taking part! Schools across the country are paired up with a school from a different setting to help the pupils build meaningful connections across all forms of difference. Hawks are linking with another Year 4 class at Oakridge Primary School in High Wycombe. So far, we have received and sent bunting, on which we shared our name, a greeting and some information about ourselves. We will be meeting with them in the new year!
