Let Your Light Shine!

Friday 14th March 2025

Thank You PTA!

As you know the children created mosaics to represent each of our school values as part of our Art and Culture week. These were designed by our students and have now been displayed on the back of our school hall for everyone to see. I would like to thank the PTA for funding this opportunity for the children and enriching their learning.

Polite Request

We are extremely fortunate to have so many extra-curricular clubs run by parents or supplemented by the school which are very low-cost or free. Parents give up a significant amount of time to provide these and I am extremely grateful to them. Could I therefore request you only sign your children up to these clubs if they are genuinely interested in it; the club should not be used as an alternative to cheap childcare. If you do sign your child up, the expectation is that he/she attends every week, on time and in the correct kit. Arriving half-way through a session is

extremely disruptive and impacts on the learning of the other children who have arrived on time. Thank you for your understanding.

Weekly Walking Bus

Thank you to those families who have joined myself and Amanda for the walks to school from Lane End so far this year. Amanda and I have recently met and would now like to start a weekly walking bus after Easter. Therefore, I am invited families to join Amanda (and sometimes me!) every Tuesday at Morrisons in Lane End at 7:55am starting on 22nd April. With the weather getting warmer, it's a great opportunity to enjoy our beautiful surroundings, get some exercise and socialise with other families. The children will of course also earn a walking to school sticker!

Speeding Posters

A massive well done to the winners of our speeding poster competition. As you can see, the children have done a fantastic job and their artwork will now be displayed around the Hambleton Valley. I would also like to offer a big thank you to Lynda Brown and Henry Peplow of Greener Frieth for all their hard work in creating this opportunity for the children and helping to keep our community safe.

Connell's Farm

Kestrels had a brilliant time at Connell's farm. Their favourite part of the visit was getting up close and personal with the adorable lambs! A HUGE thank you to Bella for showing them around and to our volunteer helpers for accompanying us on the trip.

World Book Day

What a fantastic time the children had on World Book Day. Well done to all of the children (and parents!) for their great efforts in dressing up as their favourite book character.

Owls Trip to Woolley Firs

If you went down to the woods today, you were in for a big surprise! It wasn't just teddies, but Owls were out and about at Woolley Firs this week, learning about wildlife and woodland habitats. Our fantastic day out was hosted by Chief Teddy Edwards, but enormous thanks to the team of mummy bears who accompanied us and are part of some wonderful memories.

Eagles Bug Houses

Eagles spent a very happy Forest School session making and filling bug houses in the sunshine on Tuesday. A huge thanks to Will Hunt for prepping 30+ kits and teaching the children how to build them, and to Adam Boyden for his help hammering and getting them all finished by hometime - no mean feat!

Netball

On 27th February our A & B teams played our away fixture against Stokenchurch. Both teams played well, and an early lead allowed us to experiment with playing in our weaker positions in order to develop all rounds skills across attack, defence and centre court. Our A team won 12-0 and our B team were also victorious with an 11-0 win. The players of the matches were Michael & Alyvia.

Well done to our boy and girl footballers who have recently had fixtures against Danesfeild and Spinfield. Against tough opposition, there have been four highly competitive matches and, as always, the children let their light shine.

Red Nose Day - Friday 21st March

Wear something red to help support Red Nose Day. If you are able to donate please click [here](#)

PTA News
