Let Your Light Shine!

Friday 17th May 2024

I couldn't be prouder of our Year 6 pupils for all their effort and resilience this week in completing their SATs. The children have worked so hard all year and enjoyed a very well-deserved ice-cream after their final day of tests yesterday. These wonderful ambassadors for our school can now look forward to lots of exciting things in their final term at Frieth!

Lady Ryder Memorial Garden

The gates of the Lady Ryder Gardens burst open as the blossoming young gardeners of Kestrels Class arrived on Monday. The blooming marvellous Shuna helped children to plant seeds and seedlings as well as organising a scavenger hunt for creative resources in the garden.

Teeth Cleaning

As you may know our School Council led an informative assembly on how to keep your teeth healthy. Please find attached guidance from them on keeping our teeth clean.

Walk to School Week

As you may have heard, next week is walking to school week and I strongly encourage families to walk as much as you can. Whilst I know walking may not be possible for your whole journey, 'park and stride' is also an option. Those children who have undertaken either will receive a sticker each day and a certificate for those that have done so every day of the week!

Frieth Fest

What a fantastic event the Frieth School Family Festival and Camp Night was! Big thanks to the PTA and the many volunteers who helped out. In particular, huge thanks to Alex Bruce for leading the event and Chiltern Retreat Rural Campsite for allowing us to use their camping facilities. There was over 270 people who attended and 35 families camped! The PTA raised a whopping £3900 and wanted to say a huge thank you to everyone who supported the event and came along!

Buzzards Trip

Buzzards had a wonderful time at Brooklands museum. The children loved going in the Concord and driving the racing car! We loved seeing the old and new types of transport and making our own gliders.

Netball

Huge congratulations to our amazing netball team and their coaches after winning their final against Carrington yesterday and securing the league and cup double! After a nail-biting first half where the teams couldn't be separated, Frieth pulled an incredible 2nd half performance out the bag playing the most beautiful netball and going on to win 13-3! What an achievement!

Headteacher for the day!

Miss Bruce proved to be extremely popular among pupils and staff alike having added an extra play time in the afternoon and loaded the staff room with biscuits and cakes! It was busy day for her with gate duty, parent emails, leading an assembly and health & safety issues to sort, although she did manage to squeeze in some hot chocolate and biscuits in the staff room!

Other News

News from Greener Frieth: We've just launched a new Instagram page and we would love you to follow us. We're celebrating with our own Mini May Watch by recording what's happening inside a Frieth nest box containing Blue Tits. There are new posts every day, so follow @greenerfrieth and stay tuned and share the story with family and friends as it happens.
