Summer Term 1

15th April 2016

Message from Mrs Reid

Welcome back to the Summer Term. We hope you had a lovely holiday and are continuing to enjoy the Easter season.

On the first day of the holidays, a number of pupils joined the 'Good Friday Club' and it was a privilege to be part of it this year. The pupils shared our resources with children from other churches and areas so

especially our focus pair of values for this term: Sharing and Caring. These will underpin our curriculum and Collective Worship throughout the term.

Talking of the curriculum, our whole school topic for this term is 'Carnival' to link in with the Olympics in Rio. Look out for the curriculum letters that will be sent home next

week and appear on the pupil pages on the website soon.

With sharing and caring as our focus values this term, it is superb that our School Council have organized the

charity day for next Wednesday where they will be raising funds for the charities the school

voted to support. A wonderful way to start our term's focus.

Another great start to the term happened for KS1 today, when they had their 'Perform' workshop in school. As you can see from their faces in the photo, they had a wonderful time.

We look forward to sharing our wonderful work and achievements with you throughout the term. Don't forget to keep an eye on the calendar on the website for key dates coming up.

nicely and we had a wonderful time. They really demonstrated our core values in action,

As you are aware we will be having our SIMs inspection next week. Which will give our pupils a fantastic opportunity to show our visitors exactly why we are so proud of them! Thank you to all the parents who have completed and returned the questionnaire. I understand that some parents may not have received a copy. If this is the case, please do come and ask in the office and we can provide another copy and add your information to the analysis on Monday.
