Let Your Light Shine!

Friday 17th November 2023

I hope you enjoyed the half term break which already feels like a long time ago with so much going on at school in the last few weeks.

Last Friday we held a special Remembrance Assembly and one-minute silence. During the assembly, the children learnt about the significance of Remembrance Day and the poppy with Year 6 then performing 'In Flanders Field' by John McCrae beautifully. I'm sure you agree it so important that the children understand the significance of this day and remember those who have lost their lives to keep us safe.

Kites Class visited St John the Evangelist church last week and had a wonderful lesson with Reverend John Smith learning about Holy Communion and Christian symbols. Thank you, Reverend John, for giving up your time to teach our pupils.

A massive well done to all pupils involved in our Open Evening; you were amazing! All children were a credit to the school but a special mention must go to our tour guides and the choir who made a great first impression. Of course, an extra well done needs to be given to our Head Boy and Head Girl who delivered their speeches so professionally. I would also like to thank our wonderful teaching staff for all their hard work and our fantastic Governing Body for their support. It was a real team effort!

Well done to all our netball team for their amazing 10-5 win against Lowbrook Academy. It was a great team effort but a special mention must be given to Teddy Bayliss for his awesome player of the match performance!

Kites class also had a wonderful time at the Chiltern Open Air Museum last Friday, learning about the Iron Age. They got to see an Iron Age round house, made flat breads, clay pots and tried to make cream but without much success in the cold weather!

Local Environmental group 'Greener Frieth' now hold their meetings at Frieth School with one taking place last Tuesday. With the success of our litter posters last year we are excited about continuing to build our relationship and look forward to working together on more exciting projects. The next meeting will be at 7:00pm on 9th January in the school hall.

I'm sure like me, many of you watch the news in horror at some of the awful things going on in the world. Please find the link [here](#) with guidance on how you can speak to your children about conflict and war if you wish to.
