Let Your Light Shine!

Friday 24th October 2025

As we come to the end of another busy and exciting half term, I'd like to take a moment to reflect on all that has been happening in school. The past few weeks have been filled with learning, creativity, and countless moments where our children have truly let their light shine!

Maths Week

This week, the children have enjoyed a fantastic Maths Week filled with exciting activities. From Captain Sally's Mathematical Adventure to maths trails, cooking, workshops, learning about famous mathematicians, creating maths-inspired artwork, and much more, It's been a wonderful week of enriching learning and fun!

We are currently £260 short of our voluntary donations target. Any shortfall has to be covered by the school budget, which reduces the funds available for classroom resources and activities. Your support makes a real difference. Thank you to everyone who has contributed so far.

Frieth Hilly

This is my 4th Frieth Hilly and honestly the best one yet! The attention to detail to make this such a fantastic event was a real credit to the amazing Hilly Committee and all their hard work. Thank you so much to the whole team! Already looking forward to next year!

Not to be outdone, the children showed great determination and enthusiasm, putting in fantastic performances at the Mini Hilly!

Netball

Well done to our netballers who played a close game against Danesfield.

While the result didn't go our way this time, our team showed fantastic resilience, teamwork, and a positive attitude throughout.

Congratulations to all who took part and thank you to Danesfield for hosting such an enjoyable mini tournament!

Ancient Egyptian Theme Day

Ospreys class really enjoyed their Ancient Egyptian Day and looked wonderful in their costumes! Divergent Drama came into do a workshop and the children were really engaged creating their own Egyptian Gods and acting out scenes from everyday life.

Anglo-Saxon Theme Day

Last Friday, Hawks embarked on an Anglo-Saxon adventure!

Their day was full of exciting activities - from baking, feasting, and learning about Anglo-Saxon food and clothing to writing and decoding runes, creating their own shields, and listening to stories.

Great Fire of London Theme Day

Our Year 2 pupils stepped back in time to experience life during the time of the Great Fire of London. The children baked bread, created model houses of the period, and learned all about Thomas Farriner's bakery on Pudding Lane. They were fascinated to learn how the fire changed London forever. A huge thank you to all the parents for helping with costumes and props!

Lady Ryder Memorial Garden

Hawks Class had a wonderful day visiting the Lady Ryder Memorial Garden, where they took part in hands-on activities exploring different types of seeds and their methods of dispersal. We look forward to using our new scientific knowledge!

Owls Class Visit

Owls class were very lucky to have a visit from Will Lacey to talk about Harvest and farming. We all enjoyed hearing about what animals they have and the crops Lacey's Farm harvest. We also enjoyed looking at the samples that Will brought with him. A big thank you for giving up your time to come and talk to us!

Polite Reminder

Remember to order your child's school lunches and book Falcons sessions for next term.

- Frid 19th Dec:** **Church Service – 9.30am**
Break up 1pm

Owls Class Trip

Owls Class had a brilliant first school trip to Connell's Farm. They learnt about growing seeds, we saw the grain stores, cows and sheep and a huge tower of hay bales! We also got to see Freddie and Billy, the sheep dogs, at work and some big tractors! A big thank you to Bella Connell for letting us visit and to the parents who helped us walk round to the farm.

Odd Sock Day

We are proud to be supporting Anti-bullying week which takes place W/C 10th November.

As a start to the week, please could you send your child into school wearing odd socks on Monday to symbolise diversity and inclusion.

Parking

Please can we ask that you park on the road and not in the front of school or in the spaces allocated for the village hall.
