Thursday 8<sup>th</sup> February 2024

Can you believe we are already half way through the school year! It's been another great half term with lots going on at Frieth.

### Home Run

Thank you to all parents who have signed up to our car sharing app 'Home Run'. I hope you have had a chance to see the video on Facebook from our wonderful ECO Council around the environmental benefits of car sharing and the positive impact it will have on congestion in the morning.

Just a reminder that the registration process should take no longer than 3 minutes. Also, HomeRun will enter every person who signs up from our school by Friday 1<sup>st</sup> March into a prize draw to win one of five £50 Amazon vouchers.

From an environmental standpoint, could I also kindly request parents are mindful of leaving their cars running when waiting for children. As well damaging the environment, this is so important as the emissions will be impacting our children's health. Thank you for your support in this matter.

### Frieth Falcons

As you may know we have recently purchased two table tennis tables as well as a number of new games for the children to play with during wraparound care. We have also revamped the Frieth Falcons timetable giving the children a wider choice of activities which they have been thoroughly enjoying! The Falcons Team also have a mobile phone which they can be contacted on if an important message needs to be passed such as someone else is picking up your child. Please find the new timetable attached and mobile number below.

### Victorian Day

Eagles class got really into their Victorian day! Mrs Lampard and I had lots of fun getting into character and administering some Victorian style punishments and the children were even fortunate enough to get a visit from the honourable Reverend Burn! Well done Year 6 for the great effort with outfits and being good sports!

### Kites Class – Ashmolean

Kites class had a brilliant day at the Ashmolean Museum. In the morning they had a self-guided tour exploring Pre-Historic Britain, looking at artefacts from the Stone Age, Bronze Age and Iron Age. In the afternoon, they took part in a brilliant workshop on the impact of the Romans on Britain.

Thank you Mrs Milner and Mrs Welfare for coming with us.

### Young Voices

As always, a highlight of the year was the Young Voices Concert. Along with thousands of children from other schools, forty-six Frieth pupils headed up to Wembley Arena where they performed a range of wonderful songs along with thousands of pupils from other schools. Miss Steventon and the children had been working tirelessly to prepare for the event which was clear to see in their performance.
