Let Your Light Shine!

Tuesday 8th July 2025

It's been an exciting few weeks at school with lots going on. I hope you managed to cope with the heat – it looks like we could in for another scorcher for Summer Queen!

I don't like to start off negatively, but I've had a complaint about a pupil standing on the memorial plaque outside the church causing it damage. Please ensure your children are acting in a considerate and responsible manner as they make their way to and from school.

It's also been brought to my attention that there are a lot of cars leaving their engines running on the road at drop off and pick up. Please do not leave your car idling as it causes noise pollution and is bad for the environment. Thank you for your understanding.

Messy Hair Day!

Tomorrow, our school council will be leading an assembly on various charities they believe would be good for the school to support. The children will then go back to classrooms to vote on the one they would like to donate to. To raise money for this charity we will then be having a 'Messy Hair Day' next Wednesday whereby the children will come in with wacky hair. Details of the chosen charities Just Giving page will be sent out shortly.

Year 6 Residential

The year 6 children had the most fantastic time away at The River Dart Country Park. It was a week full of adventure, resilience, bravery and most importantly fun! The children were a

credit to the school and let their light shine throughout.

Beale Park

Year 2 had an exciting time visiting Beale Wildlife Park. They saw a Ring-Tailed Lemur, Snowy Owls, a Carpathian Lynx and had a train ride around the park which was the highlight of the visit!

Brooklands Museum

Year 1 had an amazing time exploring Brooklands Museum. There was so much to see and learn about transport through history. A big thank you to all the staff and volunteers for making it such a fantastic day!

Lady Ryder Memorial Garden

Kites class braved the heat and had a wonderful morning at the Lady Ryder Memorial Garden. Linking with their science topic, they learnt all about the functions of different parts of a plant.

Sports Day and Sports Week

Higher, faster, stronger...Frieth's Sports Day 2025 was a vibrant event, peppered with determination, excellence and joy. Our new Champions belong to Rowling house. The memories will live long for us all.

What a sports week it was! The children enjoyed a full week of wonderful experiences including lacrosse, skateboarding, a climbing wall, fencing, cheerleading and we even had a visit from an Olympic athlete and a Gladiator! They definitely achieved their 60 minutes of exercise per day!

Tag Rugby

What's a fantastic opportunity for our girls' rugby team who took part in a rugby festival at Northampton Saints home ground, Franklins Gardens. The children were a credit to the school, playing some beautiful rugby and

showed skill, determination, respect and sportsmanship throughout the day. We also enjoyed a tour of the stadium, met an England rugby player and learnt all about the tactics Northampton Saints use to get a competitive edge over the opposition! Well done girls!

Netball

What a fabulous afternoon our netballers had at Danesfield. Mixing up Frieth and Danesfield pupils to play in a tournament, it was a great experience for the children and lovely to see them play alongside one another and make new friends! Big thanks to Mr Hillibrand from Danesfield, as well as our fantastic coaches, for organising it and let's hope this can be an annual event.

Samurai

We are excited to invite your Year 6 child to join our [Confident Kids: Year 6 Transition Course](#) - the ultimate 2-hour session designed to prepare children for their move to secondary school with **confidence, resilience and calm**.

Location: Courthouse School,
Maidenhead

Date: Wednesday 16th July

Time: 5pm – 7pm

Late Collection

Please can we remind you of the school pick up times, 3pm KS1 and 3.15pm KS2. If you are late to collect your child at the end of the day or from an after-

school club your class teacher/club instructor will take them to Falcons for them to wait there. You will then need to collect your child from the Owls entrance.
