## Spring 11

31st March 2017

### Message from the School Council

Thank you everyone for donating money for comic relief. We hope that your child has enjoyed the events that we have created. The money that we have raised will be generously given to

people that are not as fortunate as us and give them a happy and healthy enjoyable life. Some of the money will be given to children around the world that don't have the right education as us. We have raised an amazing £126 on red noses and £230 on donations. Thank you again for donating it will go to a good cause.

### Message from Mrs Reid

The end of term is always extremely busy, and this week has been no exception to the rule! On Sunday the PTA ran a brilliant Easter Egg hunt with the best turnout on record. Thank you to Mrs Hayter and all the team that made the event so successful!

Our netball team took part in a competition at Danesfield School on Wednesday and demonstrated the Frieth values of rising to the challenge superbly! Thank you to Ms Meek and Ms Elliot for running some extra coaching sessions at lunchtime this week.

Also today, our Reception children hosted a wonderful tea party to say 'Thank you!' to all the amazing people who helped us to create such a beautiful space for their gross motor control area! The children were superb! They took orders for tea and offered their guests cakes they had made earlier in the week and were the perfect hosts! We also had an opening ceremony where two of our youngest children cut the ribbon to officially open the area alongside Mrs Wotherspoon, who was representing the amazing organization whose extremely generous donation allowed the project to go ahead. It really was a very special event way to complete our Spring term.

Have a lovely Easter everyone!

*Mrs Reid*

### Congratulations to our Sweetie Winners

Winners of the guess the sweets activity for Red Nose Day were: Willow, Xanthe and Azzura and Charlotte—Well done and don't eat them all at once !

### Road Safety

It has been great to see so many of our families taking the time to walk to and from school this term. Well done everyone. Some of the road into school has no pavement however, so can we remind walkers to be vigilant in keeping over to the side and reminding children to look carefully before walking around the skip or parked cars coming up the hill. Can we also ask all drivers to be extremely careful when approaching the school and drive even more slowly than usual to provide enough stopping time should a pedestrian or child walk out.

### MESSAGE FROM THE SCHOOL COUNCIL

Hello this is the school council and we would like to ask you if you have any foreign coins or outdated coins. It will help girls in Kenya to go to school. £12 will give three girls sanitary protection for a year enabling them to attend school every day of the term.

Please send your money in an envelope at the start of term.

Many thanks.

### ACTIVKIDS VOUCHERS

Please keep sending in your vouchers which we use to get valuable sports equipment; send them in via your child's bookbag or pop into Reception and put them in the collection box on the counter top. Many thanks!
