*Let Your Light Shine!*

*Friday 14<sup>th</sup> October 2022*

Can you believe we are already nearly at the end of the first half term? It's been a great start to the school year and lots more excitement to come!

#### **Communication**

At Frieth, we realise that to give your child the best education there needs to be a collaborative approach between parents and teachers, and so effective communication is crucial. There are a number of means to communicate with the teacher. I suggest you select one of the following mediums depending on the nature of the matter you wish to discuss.

#### **Note in the Reading Diary**

Reading diaries are checked first thing every day by the Teaching Assistant. A short note can be placed inside which will be passed on to teachers.

#### **On the Gate**

At the end of the school day teachers dismiss the children at the gate. This is the ideal opportunity to have a quick chat. I am also always available before and after school, on the gate.

#### **Directly by email**

If the above are not appropriate, you can email the teacher directly. Please be aware staff are teaching through the day and often have after school meetings, planning and marking but will endeavour to respond at the earliest available opportunity.

#### **Face to face Meeting**

If you require a more in depth conversation, you can arrange a face to face meeting.

On Friday 9<sup>th</sup> December it will be Christmas Jumper Day. The children are invited to bring in £1 and wear their favourite festive sweaters. On this day they will also enjoy a pantomime, which has kindly been funded by the PTA, and this year's show is Aladdin. All proceeds on this day will go to 'Save the Children'.

Our sports fixtures start next week with two home matches. On Thursday our football team will host Radnage and on Friday our netball team will play Holy Trinity Cookham (approx. 3:30pm start). As always, tea, coffee and biscuits provided so come along, support the team, and enjoy a hot drink and a natter on the side-line.

It was a wonderful Harvest Service last Friday and so lovely to welcome in so many parents. Well done to all the classes for letting their light shine with their stunning performances and our Year 6 children for leading the service. How lucky we are to have this beautiful church on our doorstep.

Kites Class had a fantastic afternoon last week playing rugby. Great to see so much determination, skill, teamwork and sportsmanship on show. Well done for letting your light shine!

Massive thank you to Jolyon Marshall who came in to talk to the children about the restoration of the Frieth Village Hall Clock and its link to Big Ben. It's so important the children learn about local history and they were fascinated throughout.
