## Autumn 14

### Message from Mrs Reid

So here it is Merry Christmas... As we reach the end of the term, the children have been having a fantastically festive time in school. Last Wednesday we had our Christmas lunch followed by parties on Wednesday afternoon with lots of fun and games throughout the school. Many thanks to the parents who volunteered to help with the lunches so that the staff could sit down for lunch with the children: to the PTA for paying for the Christmas lunches and providing the party game packs; and to the parent Representatives who wrapped up 'Pass the Parcels' for the classes.

On Thursday and Friday, our pupils had lots of fun

with Mrs Ansell and the staff in their Christmas craft workshops. They coloured, glued, glittered and created a wealth of wonderful Christmas decorations including snowflakes, lanterns and 3D Christmas trees.

On Friday morning we were also joined by volunteers from the church who worked with some of our pupils to make the Christingles for the village Christingle service in the Church. The pupils really enjoyed putting the Christingles together and learning the symbology of the different parts. Thank you to Mrs Tebbot, Mrs Marston Weston and Ms Tebbot for giving up their time to make them with us.

It hasn't all been Christmas party games however. Our year 5 and 6 pupils all took part in their cycling proficiency course last week. They started the

week practicing on the playground and then went out onto the local roads, learning about road safety, the highway code and how to keep safe on their bikes.

As usual this has been a very busy term at school with an amazing amount of additional activities and opportunities for our pupils. We couldn't do this without the amazing teachers and staff in school and the support of the Governors, PTA and parents. Thank you everyone for making this another super term of learning at Frieth!

I hope you all have a wonderful, peaceful and relaxing holiday.

Merry Christmas everyone and a happy new year!

*Mrs Jo Reid*
