Dictation Activity Answers

Dictation Activity 1

Mr Whoops was at a lecture on accidental and personal injuries. His group was a mixture of mature and younger students. He took great pleasure in learning and was a vocal member of the group.

This session was about a man who had fallen down a natural fissure and broke his thumb and foot.

Dictation Activity 2

Vienna is the capital city of Austria. It is a sensational place to visit if you enjoy culture, from beautiful sculpture to fascinating literature.

What better way to capture a picture of the true Vienna than watching couples whirl around the ballroom as they dance the Viennese Waltz?

Plan your trip well before you go to avoid missing anything out when you visit this national treasure.

Dictation Activity 3

Troy works for a car factory. He must measure the pressure of the new tyres to make sure they don't get a puncture, check for moisture in the window seals and test the structure of the body of the cars. He also has to write a report for each vehicle and his signature is proof that the car is ready for the roads.

This can be quite a stressful job and Troy works hard to maintain his composure by taking an occasional yoga class in his leisure time.
