Let Your Light Shine!

10th February 2023

Can you believe we are already half way through the academic year! It's been a super half term and with the evenings getting lighter, I'm looking forward to resuming our sport fixtures after the break.

Eagles had a fantastic time on their trip to Maidenhead Mosque last week. In class, the children have been learning about Islam and it was great to take their education beyond the classroom. Throughout the trip, the pupils were very engaged which is testament to Zia who gave the tour and answered all of their questions. Well done Eagles.

Kites had a brilliant time at the Ashmolean Museum in Oxford. Whilst there, they had a self-guided tour where they learnt about Robert Ashmole who founded the museum. The class also looked at some of the original exhibits including Guy Fawkes' lantern. In addition, the pupils took part in a workshop on the impact of the Romans on the British population, where they had the opportunity to handle Roman artefacts. As always, Kites Class let their light shine by behaving brilliantly and showing off all their Roman knowledge!

We have some exciting news about a new event that is coming to Frieth School, the 'House Music Competition! We know there are so many musical students at Frieth, and we want them to let their light shine and show us what they can do.

We will be holding auditions at lunchtime on Friday the 3rd March where children from each house will be chosen and put through to finals which will take place during the afternoon of the 17th of March.

Students can perform on any instrument, including their voice, and can perform a cover or their own composition. They can perform solo or in groups (groups must be from the same house).

Timekeeping

I would like to remind parents the school gate closes promptly at 8:55am every morning. I have noticed an increased number of children coming in late so please ensure your child makes it to school in good time. If you are late, can I also remind you that you need to sign your child in at reception and cannot just drop them off.

Request

Owls and Buzzards class would like to put out a request for any spare school trousers or skirts, If you have any spares that your child has grown out of please can you send them into school. Many Thanks in advance.

PTA News

The PTA would like to invite all pupils to the next School Disco on Friday the 10th March in the school hall, featuring John Johnny as the DJ. There will be drinks and snacks available. Parents will need to purchase tickets in advance from the PTA events website, links below. Those attending Falcons on that evening do not have to purchase a disco ticket. The children all enjoy this great opportunity to burn off some energy on the dancefloor and show off their best moves to their friends!

Key Stage 1 - 15.15 to 16.15pm

Other News

During half term, Discover Bucks Museum in Aylesbury are holding a fun-filled week of activities, many of which are inspired by their current exhibition *Your Amazing Brain*.
