

French home learning Monday 15<sup>th</sup> June 2020 Y3

Last week we recalled how to ask someone how old they are  
and to say our own age.

I hope you like the chant below....click on the link.

J'ai 8 ans.  
Quel âge  
as-tu?

J'ai 9 ans.  
Tu-as quel  
âge?

## FATHER'S DAY

Father's day is celebrated in many countries around the world although not always on the same day as in Britain. In France it falls on the third Sunday in June. It is called, '*Fête des Pères*.'

Just like in *en anglais*, there is more than one way to say, 'my dad,' *en français*. You can say, *mon père* or *mon papa*.

The link below is to a Father's Day song. You certainly do not have to understand every single word. Listen out for *COGNATES* to help you. When you have heard it a few times, maybe you will feel confident enough to join in with the chorus!

### CHORUS

*Aujourd'hui c'est un bon jour* (Today is a good day)  
*C'est la fête de mon papa!* (It's my Father's special day)

Some people might not want to celebrate Father's Day.

What would they be celebrating on.....?  
(I've done the last one for you!)

La fête des copains	
La fête des oncles	
La fête des frères	
La fête des professeurs	Teachers' Day

Don't forget to use your bilingual dictionary!

After all your hard work I think you deserve a little relaxation!

Click on the link below to view the mindfulness video. Again, it is not essential to understand every word. There are lots of *COGNATES* to help you. The key words that you do need are *inspirez* (breathe in) *doucement* (slowly, gently and calmly) through your nose and *expirez* (breathe out) through your mouth.
